House Gin & Tonics

Gin. Tonic. These two go hand in hand with each other, like the best of friends. Here at Shelley Yu's, we decided to push the boundaries, and explore just how good tonic can be. We make all our own tonics in site, from cinchona bark imported from Australia. All gins Served with our house tonic, but if you want some fun, try one of the flavours with any gin for RM 3 extra. We've paired them up with our favourites below, but go explore! All house G&T's are 45ml Measures.
